3) The estimates have been scrutinised by the Chief Engineer for Rs 5600 and Rs 7520 the total Cost of laying the sub mains to the Extension would thus be Rs 13,120 against the sum of Rs 11,982 as entered shewn by the D.C. The Cost of proposed to be met by Govt and the local me Council in equal proportions There is no reserve left now under the water supply Grants during the current year and for orders

(42) 4) It will be seen from the Presidents letter that there is a sum of Rs 27,994 still available as reserve out of the provision made in the Davanagere Town Budget for 41-42 for water supply As the Municipal council also desires some improvement in the shape of House connections, it seems reasonable for the rest to bear the entire cost of Rs 13,120/-

SIR

SUBJECT — Providing submains in the Jayachamaraja Wadiyar Extension - Davangere

I have the honour to state that the Town Municipal Council, Davangere, has resolved at its meeting dated 6th October 1941, that the two estimates relating to the providing of feeder mains in the Sri Jayachamaraja Wadiyar Extension - one for Rs 4500/- and another for Rs 6000/- - may be sanctioned and that Government may be requested to sanction as grant half the cost of the estimates The estimates were forwarded to the Sanitary Engineer, Bureau of Sanitary Engineering, Bangalore, for scrutiny They have now been scrutinised for Rs 5600/- and Rs 6382/- 7520/- respectively The cost of these works is proposed to be met out of the Savings under E 9 in the sanctioned - budget of the current year

I request that sanction of Government may kindly be obtained for the estimates as also for the grant of Rs 5991/- being half the total cost of the estimates, out of the - allotment under water-supply grant of the current year

The estimates plan and the connected records are - forwarded herewith for kind reference

To Subject Estimates ~~for Rs 6382 and Rs 5600/-~~

~~For taking~~ sub mains in the extension at Davangere

With refee to your letter No A6-358/41-42 dt 16 1942 on the above subject I am directed to state as follows

The estimates for Rs 6382/- and Rs 5600/- have been further scrutinised by the Chief Engr for Rs 7520 & Rs 560 respectively and the estimates cost is increased to Rs 13,120

It is seen from the Presidents letter dt 13/5/42 that a sum of Rs 27,996/- is still available reserve out of the provision made for water Supply in the budget of Davangere Town only for the year

As the municipal Council would also derive some income in the shape of house connections if the drains proposed are carried out it is reasonable that the entire cost of Rs 13,120 should be borne out of the municipal funds

These observations may be kindly conveyed to the President of the Mal Council and if the proposals may be resolved that for the final orders of Govt if the Municipal Council is agreeable to the same meet the entire cost with the The records accompany

I am to request that the above proposals may be communicated to the President, Devanagere Taluk for necessary further action
